

SMO64OFBTIXL

65CM FLEXIMAX 4 ZONE INDUCTION COOKTOP

FEATURES & BENEFITS

6TH SENSE SMART SET

With 6 pre-set automatic functions, cooking has never been this easy. Select the programme and the hob will automatically adjust the heat level and time accordingly, to get the perfect results every time.

IXELIUM

To preserve their unique elegance, Whirlpool created iXelium, a nanotechnology glass treatment designed to keep the hob shiny and scratchless as on the first day. Easy to clean from stains and fingerprints as well as scratch-resistant, iXelium will guarantee an everlasting beauty to the hob. With its new design and iXelium's special coating, Whirlpool just brought induction cooktops to a whole new level.

FLEXIMAX

With a +28% larger surface, FlexiMax is big enough to welcome all kinds of cooking creations. The zones can be used separately or linked together for larger pots, heating up rapidly and evenly.

EASY DISPLAY

Dedicated sliders for each cooking zone and just one finger needed to control them all. With 18 + boosters, heat can be accurately set for unflinching cooking results.

WARRANTY

Guarantees peace of mind and value for money knowing that any product fault or defect is covered by full replacement parts and/or a service call to ensure the product works as described.
